Legislative Districts:
Senate: 22
House: 22

Anticipated start date:
SUMMER 2009

Roadway reconstruction and widening to 5 lanes

This project adds an additional lane on SR 202 between SR 201, ending east of I-80. The new lane will reduce traffic congestion along the roadway and improve safety for motorists. The drainage system will also be improved. UDOT will coordinate with Kennecott to excavate and move mining byproduct (slag) to accommodate for expansion of the roadway.

Current budget: \$10 million

NOTE: This information can change without notice based on funding, scheduling constraints, stakeholder issues, and other unanticipated project elements.

Local governments: Salt Lake County, Magna

Take care of what we have • Make the system work better • Improve safety • Increase capacity
